MESSAGE FROM THE PRINCIPAL

It is a matter of great privilege and pleasure to extend my heartfelt welcome to all the students desiring to take admission in different courses offered in this premier institution of higher education. Nabinchandra College started its humble journey in the year 1969 with only Arts Stream in the name Badarpur College under the initiatives of a group of visionary leaders of the locality. The college has been renamed as Nabinchandra College, Badarpur in 1976 after the name of the father of one major donor Lt. Basanta Kumar Das of Karimganj, who donated a sum of Rs. 50,000/- (Fifty thousand only) for reserve fund of the college. The college has made remarkable progress and at present it has all the four streams: Arts, Commerce, Science and Bachelor in Vocational Course. What is more important, the college offers one unique course namely B.Voc in Information Technology, not available in any of the colleges under Assam University. The college will provide as many as 15 Honours and Honours with Research Programmes of Four Year Under Graduate Programmes (FYUGP) under NEP 2020 w.e.f the session 2023-24. I am glad to inform that the college has introduced as many as twenty (20) Value Added Courses (Certificate/ Diploma) w.e.f the session 2022-23 to enhance the scope of employability of the student.

Students not only from the entire Barak Valley but also from the States of Tripura, Mizoram Nagaland and Meghalaya have been nourished and have excelled in their chosen areas of interest in this distinguished under graduate co-educational institution, which is standing alone in the heart of Badarpur town, the meeting point of Cachar, Hailakandi and Karimganj districts as well as Tripura, Mizoram, Monipur and Meghalaya states. The college provides a liberal, lively and competitive environment both in academics as well as in extra-curricular activities. We have developed a sense of Ncian family bonding and we believe in all-round development of our students which includes academic pursuits, co-curricular activities, character building, humanism, patriotism, respect & care for the parents, love and care for the youngers. The teacher-students relationship of our college is really an object of our pride. We are committed to serve our students with great pleasure in our hearts.

Dear students, sometimes it appears that the whole world has become a cruel battle field of mechanical robotic competition, where humanity, fellow-feeling, compassion, love & respect for parents and elders have been often replaced by jealousy, envy, ego and utter selfishness. We confess that we could not build an ideal world to live in for you but we have been honestly trying and we have a trust upon you that you can create a better world for your next generation. For this my humble appeal to you to be sincere to give your hundred percent effort to achieve your targeted goal. But always be more sincere to lead your life with blessings from the heart of your parents, teachers and elders.

I once again warmly welcome you to this prestigious institution of higher education and pray to the almighty for your success and excellence. I wish that after admission you will actively involve yourself in the corporate life of the college and shall display exemplary excellence in your chosen field of academic as well as extra-curricular areas of interest with uncompromising love, respect and care for your parents, teachers & elders and love & care for youngers and shall enlist your name in the list of proud alumni of our college.

(Dr. Mortuja Hussain)
Principal

A. THE COLLEGE

I. Location

The Nabinchandra College (NC. College) Badarpur is situated in the heart of Badarpur, historically an important town in Karimganj district of South Assam. Badarpur,being located in the centre of Barak valley and also being the meeting point of Cachar,Hailakandi and Karimganj districts, enjoys an enviable location in this valley. Besides,it is the gateway to Barak Valley and is well connected with the three lifelines of this valley, namely rail, road and river. The heart enchanting hills of Panchgram,the distant blue hills of Meghalaya,the ever green surroundings with trees in bloom, paddy fields,ponds and a busy national highway in front have lent an idyllic view and provided urban facilities at the same time.

II. History

The beautiful and well-built Nabinchandra College that stands impressively in the heart of Badarpur town had its beginning in the late 1960s. The people of those years faced many a problem in sending their children for higher education to Karimganj or Silchar as there was no college between these two towns lying fifty-five kilometres apart. Distance, wastage of time and money, poor communication facilities were the chief hurdles which made them think about an alternative arrangement. The result was the unanimous decision of setting up a college at Badarpur. This noble idea soon acquired flesh and bones through the selfless and untiring efforts of the people of all walks of life in the form of a college on August 2 1969. The sweat and blood of the then staff, students and the general public helped in laying a strong foundation and in nurturing the new born educational institution.

As the college had no campus of its own, the classes of only Arts stream were run in a rented building, very close to the present site.The college was christened "Nabinchandra College" in 1971 after the late father of Basanta Kumar Das, a major donor from Karimganj town. It was shifted to the present site in 1974 and was brought under the deficit system of grants-in-aid rules of the Assam government in 1975. Since then it never looked back and always marched forward, crossing many a hurdle on the road to progress, achieving side by side the physical development of the college and the academic growth of the institution.

The College introduced **Commerce Stream** at H.S. level in 1981 and at degree level in 1984, which continued till 1989. After a gap of six years, the College re-introduced the Commerce Stream in 1996. At present It is a full fledged vibrant stream with core and honours courses as well as value added courses.

In the session 2006-07, the college introduced Science Stream at degree level and in 2008-09 at the H.S. level. At present the science stream has emerged as a full fledged vibrant stream with honours courses in Physics, Chemistry, Mathematics, Botany, Zoology and Ecology & Environmental Science.

Apart from this, NC. College, Badarpur is one of the five colleges of Assam and the only college under Assam University selected by DHE, Assam, to offer Bachelor Degree in Vocational Course (B.Voc) in Information Technology w.e.f the session 2017-18

The college is a an Examination Zone of Assam University, Silchar, for Under Graduate Courses and has been working successfully since the session 2014-15.

The College has recognised the need to introduce Career oriented programmes at U.G. Level and accordingly has introduced in 2004-05 a course in **Functional Arabic** sponsored by **NCPUL, under H.R.D Ministry, New Delhi**. In 2006-07 Session, the college has introduced U.G.C. sponsored Career Oriented programmes in **Computer Application in Business, Marketing Management and Entrepreneurship Development**. A correspondence course centre under the Institute of Distance and Open learning (IDOL) of Gauhati University had functioned in this college for many years.The College also joined as a Partner Institute of Indira Gandhi National Open University (IGNOU) under its convergence scheme to offer different conventional and specialised courses to the aspirants of Badarpur and adjacent areas which worked for many years successfully. However, the same is not working presently due to general decision of IGNOU.

Over the years, the college has made significant progress on academic front— diversification of subjects and streams, increase in the intake capacity of the students, increase in the number of faculty members, upgrading the library facilities, laboratory facilities, auditorium, conference hall, smart class rooms along with considerable improvement in infrastructure and teaching-learning process.

III. Vision and Mission:

The college has set the following vision and mission :

1. Impart quality education to the leaners in different branches of Arts, Commerce, Science & B.Voc
2. Disseminate knowledge to the youth irrespective of caste, creed, race, sex and religion.
3. Inspire and promote the education of the local youth particularly women and backward classes.
4. Promote physical, mental and moral growth of the youth with human values in order to enable them to face the complex challenges of life.
5. Foster the spirit of liberal humanism, tolerance, national integration, brotherhood and fellow feelings among the students in particular and the society in general, and to do all such things as may be conducive to the welfare of the students and the community at large.
6. Act for all such things which are ancillary or incidental to the attainment of all or any of the above-mentioned subjects, or which may be deemed conducive to the interests of the college.

B. NAAC ACCREDITATION

The National Assessment and Accreditation Council (NAAC), Bangalore is an autonomous body set up by the UGC (University Grants Commission) in 1994 to develop quality in higher education i.e. College and University education in India. With this purpose a Peer Team consisting of three educational experts from various Universities visited Nabinchandra College on 20th and 21st August, 2004 and assessed the quality of the college. The college, as a result, has been accredited with Grade B. The NAAC accreditation is a very significant development in the history of this college.

As a post-accreditation quality development measure, the college constituted Internal Quality Assurance Cell (IQAC) to improve its higher education. Since quality improvement is a continuous process, the IQAC is a part of the system of this institution and is working towards realizing its goals of quality sustenance and enhancement. The first Co-ordinator of IQAC was Dr. Rajat Bhattacharya, former HOD of English, followed by Sri Soumitra Choudhury, Asstt. Professor in Economics, and at present Mr. Joynal Abedin Tafader, Asstt. Professor in Commerce is the Co-ordinator of the IQAC.

One positive benefit of the post-accreditation quality development measure for the college is the re-accreditation of the college by the NAAC with Grade B (CGPA 2.72).The reaccreditation came as a result of the NAAC Peer Team visit to the college that took place on January 31 and February 1, 2011. The NAAC PEER TEAM visited the college on 7th and 8th January 2019 for Third Cycle Accreditation and reaccrediated the college with CGPA 1.94 under newly transited online accreditation system.

APPENDIX – G

Grading System

Calculation of Credit Point, SGPA and CGPA

Step 1. For each paper, total marks secured by a student in ESE and CCA (*if any*)will be converted to Grade Point (GP) on the basis of the following formula:

$$\frac{[\text{Marks secured in ESE} + \text{Marks secured in CCA } (\textit{if any})] \times 10}{[\text{Full Marks of ESE} + \text{Full Marks of CCA } (\textit{if any})]} = \text{Grade Point (GP)}$$

The calculated value of Grade Point be kept up to 2 (two) decimal places.

The following Letter Grade be assigned to the calculated value of Grade Point as per the 10-point Grading Scale:

Grade Point	Letter Grade
8.50 — 10.00	O
7.50 — 8.49	A+
6.00 - 7.49	A
5.50 - 5.99	B+
5.00 — 5.49	B
4.50 — 4.99	C
4.00 — 4.49	P
0.00 — 3.99	F
Absent	Ab

Step 2. Grade Point (GP) scored by a learner will be multiplied by the Credit (cr) assigned to the concerned Course and that will be the Credit Point (CP) for that particular Course. Thus, Credit Point (CPij) of the j^{th}course of i^{th}semester is given by

Credit Point(CPij)=**Grade Point**(GPij) x **Credit**(crij)……(1)

(i = 1, 2, 3, …, 6; j = 1, 2, …, n_i)

The calculated value of Credit Point be kept up to 2 (two) decimal places.

Step 3. Performance in a semester will be expressed as SGPA. Weighted average of the Credit Points of all successfully completed courses of the i^{th} semester will be used to calculate Semester Grade Point Average of i^{th} semester (Si) as per the formula mentioned below:

$$\text{SGPA (Si)} = \frac{\textit{Sum of all credit points of the } i^{th} \textit{ semester}}{\textit{Total credits in the } i^{th} \textit{semester}}$$

$$= \frac{\sum_{j=1}^{n_i} CP_{ij}}{\sum_{j=1}^{n_i} cr_{ij}} \sum_{j=1}^{n_i} CP_{ij} = \frac{\sum_{j=1}^{n_i} CP_{ij}}{C_i}$$

-where,

cr_{ij} is the Credit of j^{th} course of i^{th} semesterand CP_{ij} is as definedin(1).

C_i is the total credit of all courses under i^{th} semester.

Step 4. Cumulative performance of all the semesters will reflect overall performance in the whole programme. This cumulative performance is expressed as Cumulative Grade Point Average (CGPA) and it will be calculated as the weighted average of all the SGPAs (S_i; i=1,2,...,6) where the weights are the total credit of each semester (C_i;i=1,2,...,6).

Hence, the formula for CGPA is

$$\text{CGPA} = \frac{\textit{Sum of SGPA of } i^{th} \textit{ semester x Total credit of } i^{th} \textit{ semester}}{\textit{Sum of Credits of all Semesters}}$$

$$= \frac{\sum_{i=1}^{6}(S_i x\ C_i)}{\sum_{i=1}^{6} C_i}$$

Step 5. SGPA and CGPA shall be kept at 2 (two) decimal places and be reported in the Grade Card/ Transcripts with the following Letter Grade, Classification & Class/Division:

SGPA / CGPA	LETTER GRADE	CLASSIFICATION	Class/Division	
			Honours	General
8.50 — 10.00	O	Outstanding	First **Class** with Distinction	First **Division** with Distinction
7.50 — 8.49	A+	Excellent	First Class	First Division
6.00 - 7.49	A	Very Good	First Class	First Division
5.50 - 5.99	B+	Good	Second Class	Second Division
5.00 — 5.49	B	Above Average	Second Class	Second Division
4.50 — 4.99	C	Average	Second Class	Second Division
4.00 — 4.49	P	Pass	Pass Class	Pass Division
0.00 — 3.99	F	Fail	Fail	Fail
Absent	Ab	Absent	Absent	Absent

ConversionFormula:

Percentage of equivalent marks = (CGPA obtained x 10)%

III. TDC CBCS System :

Examinations conducted by Assam University, Silchar under CBCS

Different components and distribution of marks for CCA

A. Full Marks & Pass Marks for CCA (Unit Test + Attendence)

Course **with only Theory paper :** Full Marks = 30 (thirty) & Pass Marks = 12 (twelve)

Courses **with both Theory & Practical papers :** Full Marks = 20 (twenty) & Pass Marks = 8 (eight)

B. Unit Test :

i) Maximum marks :

Courses with only Theory paper = 20 (twenty) &

Courses with both Theory & Practical papers = 14 (forteen))

ii) There shall be **two Unit Tests** per semester and dates of the tests shall be notified by the Controller of Examinations. The highest mark scored by a student out of two Unit Tests shall be awarded to the student as the marks under Unit Test of CCA.

iii) Unit Test may preferably be conducted during non-alloted classes, so that, total number of alloted classes (Lecture / Tutorial / Practical) are not curtailed. Setting of question papers and evaluation of answer scripts of Unit Test shall be done by the teachers of the concerned department of college. Marks obtained by the students should be announced within one week of the Unit Test. If demanded, answer scripts of Unit Test should be shown to the students.

iv) Marks scored in Unit Test for which the student appears as an "Arrear Paper" shall be carried over for declaring the result of concerned "Arrear paper", only if the student secure Pass Marks in the Unit Test else he/she shall have to appear in Unit Test/s in concerned paper along with the regular students.

v. Mark sheets of CCA of each semester shall be despatched to the University by colleges during the period of End Semester Theory Examination for the concerned semester in the prescribed format and, in the most confidential manner well before the completion of that ESE.

C. Class Attendance :

i. Class Attendance shall be calculated on the basis of actual number of classes held during each semester in each course / paper. Number of decimal be rounded off to next higher number (e.g., 74.01% be rounded off to 75%)

ii. A student with **less than** 75% of attendance on an average of all the papers (excluding NCP Course, if any) of the concerned semester shall not be allowed to appear in that ESE but will be allowed to take admission in the immediate next higher semester. However, such a student may appear in the subsequent similar ESE (odd/even) in all the papers and, marks to be awarded under CCA for each paper shall be the marks previously secured by the student in the concerned paper, only if the student secure pass marks in the Unit Test else he/she shall have to appear in Unit Test's in the concerend paper along with the regular students.

iii. Distribution of marks for Class Attendance :

Courses with only Theory paper :

Theory paper (max. marks = 10)

Attendance 90% & above : 10 marks

Attendance 80% to below 90% : 08 marks

Attendance 75% to below 80% : 06 marks

Attendance 75% : 00 marks

Courses with both Theory & Practical papers

Theory paper (max. marks = 6)

Attendance 90% & above : 6 marks

Attendance 80% to below 90% : 05 marks

Attendance 75% to below 80% : 04 marks

Attendance 75% : 00 marks

Practical paper (max. marks = 5)

Attendance 90% & above : 05 marks

Attendance 80% to below 90% : 04 marks

Attendance 75% to below 80% : 03 marks

Attendance 75% : 00 marks

D : Grading System of CBCS

Calculation of Credit Point, SGPA and CGPA

Step 1. For each course, marks secured by a student in ESE (*including CCA, if any*) will be converted to Grade Point (GP) on the basis of 10 -point Grading Scale as per the following formula.

$$\text{Grade Point } (GP_{ij}) = \frac{\text{Marks secured by a student in the } j^{th} \text{ course of } i^{th} \text{ semester}}{\text{Full marks alloted to the course}}$$

$$(i = 1,2,3,..., 6;\ j = 1, 2, ..., n_i)$$

Step 2. Grade Point (GP) scored by a learner will be multiplied by the Credit (cr) assigned to the concerned Course and that will be the Credit Point (CP) for that particular Course. Thus, Credit Point (CPij) of the i^{th} semester is given by

$$\text{Credit Point } (CP_{ij}) = \text{Grade Point } (GP_{ij}) \times \text{Credit } (CP_{ij}) \quad \ldots\ldots\ldots\ldots\ldots\ldots (1)$$

Step 3. Performance in a semester will be expressed as SGPA. Weighted average of the Credit Points of all successfully completed courses of the ith semester will be used to calculate Semester Grade Point Average of ith Semester (S_i) as per the formula mentioned below :

$$\text{SGPA } (S_i) = \frac{\text{Sum of all credit points of the } i^{th} \text{ semester}}{\text{Total credits in the } i^{th} \text{ semester}}$$

$$= \frac{\sum_{j=1}^{n_i} CP_{ij}}{\sum_{j=1}^{n_i} cr_{ij}} = \frac{\sum_{j=1}^{n_i} CP_{ij}}{C_i}$$

--- where cr_{ij} is the Credit j^{th} course of i^{th} semester and CP_{ij} is as defined in (1).

C_i is the total credit of all course under i^{th} semester.

Step 4. Cumulative performance of all the semester will reflect overall performance in the whole programme. This cumulative performance is expressed as Cumulative Grade Point Average (CGPA) and it will be calculated as the weighted average of all the SGPAs (S_i ; i = 1, 2, ..., 6) where the weights are the total weights are the total credit of each semester (C_i; i = 1, 2, ... , 6).

Hence, the formula for CGPA is

$$\text{CGPA} = \frac{\text{Sum of (SGPA of } i^{th} \text{ semester} \times \text{Total credit of } i^{th} \text{ semester)}}{\text{Sum of Credits of all Semesters}}$$

$$= \frac{\sum_{i=1}^{6}(S_i \times C_i)}{\sum_{i=1}^{6} C_i}$$

Step 5. The SGPA and CGPA shall be rounded off to 2 decimal place and reported in the Grade Card / Transcripts with the following GRADE LETTER & CLASSIFICATION :

Grade Point / SGPA / CGPA	GRADE LETTER	CLASSIFICATION
8.50 ----- 10.00	O	Outstanding
7.50 ----- 8.49	A+	Excellent
6.00 ----- 7.49	A	Very Good
5.50 ----- 5.99	B+	Good
5.00 ----- 5.49	B	Above Average
4.50 ----- 4.99	C	Average
4.00 ----- 4.49	P	Pass
0.00 ----- 3.99	F	Fail
Absent	Ab	Absent
Conversion Formula : Percentage of marks = CGPA × 10
