I. THE COLLEGE

A. Location

Nabinchandra College is situated in the heart of Badarpur, an important town in Karimganj district of Southern Assam. Badarpur, being located in the centre of Barak valley and also being the meeting point of Cachar, Hailakandi and Karimganj districts, enjoys an enviable location in this valley. Besides, it is the gateway to Barak valley and is well connected with the three lifelines of this valley, namely rail, road and river. The heart enchanting hills of Panchgram, the distant blue hills of Meghalaya, the ever green surroundings with trees in bloom, paddy fields, ponds and a busy national highway in front have lent an idyllic view and provided urban facilities at the same time.

B. History

The beautiful and well-built Nabinchandra College that stands impressively in the heart of Badarpur town had its beginning in the late 1960s. The people of those years faced many a problem in sending their children for higher education to Karimganj or Silchar as there was no college between these two towns lying fifty-five kilometres apart. Distance, wastage of time & money, poor communication facilities were the chief hurdles which made them think about an alternative arrangement. The result was the unanimous decision of setting up a college at Badarpur. This noble idea soon acquired flesh and bones through the selfless and untiring efforts of the people of all walks of life in the form of a college on August 2 1969. The sweat and blood of the then staff, students and the general public helped in laying a strong foundation and in nurturing the new born educational institution.

As the college had no campus of its own, the classes of only Arts stream were run in a rented building in a very close to the present site. The college was christened "Nabinchandra College" in 1971 after the late father of Basanta Kumar Das, a major donor from Karimganj town. It was shifted to the present site in 1974 and was brought under the deficit system of grants-in-aid rules of the Assam government in 1975. Since then it never looked back & always marched forward, crossing many a hurdle on the road to progress, achieving side by side the physical development of the college and the academic growth of the institution.

The College introduced **Commerce** at H.S. level in 1981 and at degree level in 1984, which continued till 1989. After a gap of six years, the College re-introduced the Commerce Stream in 1996. At present It is a full fledged vivrant stream with two honours courses viz 1. Accounting and Finance and 2. Business Management.

In the session 2006-07, the college introduced Science Stream at degree level & in 2008-09 at the H.S. level. At present it is a full fledged vivrant stream with honours courses in Mathematics, Physics and Chemistry. Further, it is the only institution in Assam offering honours in Ecology & Environment al Science

N.C. College, Badarpur is one of the five colleges of Assam & the only college under Assam University selected by DHE, Assam to offer Bachelor Degree in Vocational Course (BVoc) in Information Technology w.e. from the session 2017-18.

The college is a TDC Examination Zune of Assam University, Silchar and has been working successfully since the session 2014-15. The College has recognised need to introduce Career oriented programmes at U.G. Level and accordingly has introduced in 2004-05 a course in **Functional Arabic** sponsored by **NCPUL, under H.R.D Ministry, New Delhi**. In 2006-07 Session, the college has introduced *U.G.C.* sponsored Career Oriented programmes in **Computer Application in Business, Marketing Management and Entrepreneurship Development**. A correspondence course centre under the Institute of Distance and Open learning (IDOL) of Gauhati University had been functioning in this college for many years. The latest addition in the academic expansion is the joining of Nabinchandra College as a Partner Institute of Indira Gandhi National Open University (IGNOU) under its convergence scheme to offer different conventional and specialised courses to the people of Badarpur and adjacent areas which worked many years. However, the same is not working presently due to general decission of IGNOU.

The college has, over the years, made significant progress on academic front— diversification of subjects and streams, increase in the intake capacity of the students, increase in the number of faculty members, upgrading the library facilities, laboratory facilities, considerable improvement in infrastructure and teaching-learning process.

C. Vision & Mission

1. Impart quality education to the leaners in different branches of Arts, Commerce, Science & B.Voc
2. Disseminate knowledge to the youth irrespective of caste, creed, race, sex and religion.
3. Inspire & promote the education of the local youth particularly women and backward classes.
4. Promote physical, mental and moral growth of the youth with human values in order to enable them to face the complex challenges of life.
5. Foster the spirit of liberal humanism, tolerance, national integration, brotherhood and fellow feelings among the students in particular and the society in general, and to do all such things as may be condusive to the welfare of the students and the community at large.
6. Act for all such things which are ancillary or incidental to the attainment of all or any of the above-mentioned subjects, or which may be deemed conducive to the interests of the college.

II. NAAC ACCREDITATION

The NAAC or the National Assessment and Accreditation Council, Bangalore is an autonomous body set up by the UGC (University Grants Commission) in 1994 to develop higher education (i.e. College and University education) in India. With this purpose a Peer Team consisting of three educational experts from various Universities visited Nabinchandra College on 20th and 21st August, 2004 and assessed it. The college, as a result, has been accredited with Grade B. The NAAC accreditation is a very significant development in the history of this college.

As a post-accreditation quality development measure, the college constituted Internal Quality Assurance Cell (IQAC) to improve its higher education. Since quality improvement is a continuous process, the IQAC is a part of the system of this institution and is working towards realizing its goals of quality sustenance and enhancement. The first co-ordinator of IQAC was Dr. Rajat Bhattacharya (Former HOD, English) and at present Shri Soumitra Choudhury, Asstt. Prof. in the Deptt. of Economics is the Co-ordinator of the IQAC.

One positive benefit of the post-accreditation quality development measure for the college is the re-accreditation of the college by the NAAC with Grade B (CGPA 2.72). The reaccreditation came as a result of the NAAC Peer Team visit to the college that took place on January 31 and February 1, 2011. The NAAC PEER TEAM has already visited the college on 7th and 8th January 2019 for Third Cycle Accreditation.

III. RULES AND REGULATIONS

The success of an educational institution depends, to a great extent, on the maintenance of discipline and the observance of rules and regulations of the institution. Keeping this as well as the smooth running of this college in view, the students are asked to strictly obey the following rules and regulations.

A. ADMISSION

The Candidates interested to take admission in ANY CLASS / SEMESTER of ANY COURSE shall have to submit ONLINE APPLICATION only by login the website nccollege.ac.in and get a print copy of the ON LINE APPLICATION FORM and submit the same along with the self attested xerox copies of all the documents required with cash less payment of Rs 200/- (for New) and Rs. 150/- (for students already registered in a course) as application fee and price of prospectus.

The selection of candidates for admission will be made as per guidelines and strictly on the basis of merit. The College authority reserves the right to accept or reject any application without assigning any reason for the greater interest of the college.

Educational qualification for admission to different courses

Higher Secondary Courses in Arts ,Commerce and Science:

Candidates must have passed H.S.L.C. Examination or its equivalent from a recognised institution. Any break in studies after passing H.S.L.C. or equivalent examination must be supported by a "GAP Certificate" issued as per specified proforma by an appropriate authority.

T.D.C. First Semester Pass Course in Arts :

Candidates must have passed H.S. Final Examination or its equivalent from a recognised institution.

T.D.C. First Semester Pass Course in Commerce : Candidates must have passed H.S. Final Examination in Commerce or its equivalent from a recognised institution.

T.D.C. First Semester Pass Course in Science : Candidates must have passed H.S. Final Examination in Science or its equivalent from a recognised institution.

T.D.C. First Semester B.Voc in Information Technology : Candidates must have passed H.S. Final Examination from any stream or its equivalent from a recognised institution.

Honours Course : A student offering Honours course in any Arts subject should have a good academic record with not less than 50% marks in the concerned subject in the qualifying examination. A student offering Honours course in Economics, besides fulfilling above-mentioned condition, should have atleast 40% marks in Mathematics in the H.S.L.C./ H.S. Examination.

A student intending to take Honours in Commerce subjects must have 50 % marks in Accountancy and Business Studies in the qualifying examination. Preference will be given to the students who have Commercial Mathematics & Statistics (CMS) in H.S.

A student intending to take Honours in B.Sc Physics, Chemistry, Mathematics and Ecoology & Environmental Science must have 50% marks in the concerned subjects in the qualifying examintion.

Students offering Honours may have to undergo a written test. Students with unsatisfactory performance in the test will not be allowed to continue with honours subjects.

Annual Intake Capacity of the College :

Class	Arts	Commerce	Science
H.S. First Year	200	150	80
T.D.C. First Semester	300	150	150

Admission in all courses (H.S. & TDC in Arts, Commerce and Science) will be strictly on the basis of merit, availability of seats. Intake capacity in honours course is 30 per subjects.

Documents to be furnished(Attested Copies) / Uploaded

(1) HSLC onward Marksheets, Admit cards and Certificates.
(2) Character certificate from Head of the institution last attended (In case of new admission)
(3) T.C.or Migration certificate in case of student admitted on T.C./Migration.

B. ATTENDANCE

Students of H.S. and Degree Courses must attend atleast 75% classes as per AUS / AHSEC guidelines under CBCS system, students can secure maximum 10 marks by attending 90% attendance and if any student fails to attend atleast 75% attendance in a subject he / she will get "o" out of "10" and shall not be allowed to appear in the semester and examination in the subject.

C. EXAMINATION

Examinations conducted by the Assam Higher Secondary Education Council.

H.S. First Year Examination :

The H.S.-I examination will be conducted at the end of the First Year classes as per the guidelines of A.H.S.E.C. The papers include :

1.	English	:	One paper of 100 marks. (Theory 90 + Practical 10)
2.	MIL/Alt.English	:	One paper of 100 marks
3.	Three Elective Subjects	:	One paper of 100 marks each
4.	Environmental Education	:	One paper of 50 marks. (Theory 40 + Assignment 10)

H.S. Final Year Examination :

At the end of second year classes, the final examinations are held in February/March every year. The papers include :

1.	English	:	One paper of 100 marks.
2.	MIL/Alt.English	:	One paper of 100 marks
3.	Three Elective Subjects	:	One paper of 100 marks

C : Marking System of CBCS

Examinations conducted by Assam University, Silchar Under CBCS

Different components and distribution of marks for CCA

A. Full Marks & Pass Marks for CCA (Unit Test + Attendence)
Course with only Theory paper : Full Marks = 30 (thirty) & Pass Marks = 12 (twelve)
Courses with both Theory & Practical papers : Full Marks = 20 (twenty) & Pass Marks = 8 (eight)

B. Unit Test :

i) Maximum marks :
Courses with only Theory paper = 20 (twenty) &
Courses with both Theory & Practical papers = 14 (forteen))

ii) There shall be **two Unit Tests** per semester and dates of such tests shall be notified by the Controller of Examinations. The highest mark scored by a student out of two Unit Tests shall be awarded to the student as the marks under Unit Test of CCA.

iii) Unit Test may preferably be conducted during non-allotted classes, so that, total number of allotted classes (Lecture / Tutorial / Practical) are not curtailed. Setting of question paper and evaluation of answer scripts of Unit Test shall be done by the teachers of the concerned department of college. Marks obtained by the students be announced within one week of the Unit Test. If demanded, answer scripts of Unit Test be shown to students.

iv) Marks scored in Unit Test for which the student appears as an "Arrear Paper" shall be carried over for declaring the result of concerned "Arrear Paper", only if the student secure Pass marks in the Unit Test else he/she shall have to appear in Unit Test/s in the concerned paper along with the regular students.

v. Mark sheets of CCA of each semester shall be despatched to the University by colleges during the period of End Semester Theory Examination for the concerned semester in the prescribed format and, in the most confidential manner well before the completion of that ESE.

C. Class Attendance :

i. Class Attendance shall be calculated on the basis of actual number of classes held during each semester in each course / paper. Number of decimal be rounded off to next higher number (e.g., 74.01% be rounded off to 75%)

ii. A student with **less than** 75% of attendance on an average of all the papers (excluding NCP Course, if any) of the concerned semester shall not be allowed to appear in that ESE but will be allowed to take admission in the immediate next higher semester. However, such a student may appear in the subsequent similar ESE (odd/even) in all the papers and, marks to be awarded under CCA for each paper shall be the marks previously secured by the student in the concerned paper, only if the student secure pass marks in the Unit Test else he/she shall have to appear in Unit Test's in the concerend paper along with the regular students.

iii. Distribution of marks for Class Attendance :

Courses with only Theory paper :
Theory paper (max. marks = 10)
Attendance 90% & above   : 10 marks
Attendance 80% to below 90% : 08 marks
Attendance 75% to below 80% : 06 marks
Attendance 75%   : 00 marks

Courses with both Theory & Practical papers
Theory paper (max. marks = 6)
Attendance 90% & above   : 6 marks
Attendance 80% to below 90% : 05 marks
Attendance 75% to below 80% : 04 marks
Attendance 75%   : 00 marks
Practical paper (max. marks = 5)
Attendance 90% & above   : 05 marks
Attendance 80% to below 90% : 04 marks
Attendance 75% to below 80% : 03 marks
Attendance 75%   : 00 marks

D : Grading System of CBCS
Calculation of Credit Point, SGPA and CGPA

Step 1. For each course, marks secured by a student in ESE (*including CCA, if any*) will be converted to Grade Point (GP) on the basis of 10 -point Grading Scale as per the following formula.

$$\text{Grade Point (GP}_{ij}) = \frac{\text{Marks secured by a student in the } j^{th} \text{ course of } i^{th} \text{ semester}}{\text{Full marks alloted to the course}}$$

$$(i = 1,2,3,...,6; j = 1, 2, ..., n_i)$$

Step 2. Grade Point (GP) scored by a learner will be multiplied by the Credit (cr) assigned to the concerned Course and that will be the Credit Point (CP) for that particular Course. Thus, Credit Point (CPij) of the ith semester is given by

$$\text{Credit Point } (CP_{ij}) = \text{Grade Point (GP}_{ij}) \times \text{Credit } (CP_{ij}) \quad .... (1)$$

Step 3. Performance in a semester will be expressed as SGPA. Weighted average of the Credit Points of all successfully completed courses of the ith semester will be used to calculate Semester Grade Point Average of ith Semester (S_i) as per the formula mentioned below :

$$\text{SGPA } (S_i) = \frac{\text{Sum of all credit points of the } i^{th} \text{ semester}}{\text{Total credits in the } i^{th} \text{ semester}}$$

$$= \frac{\sum_{j=1}^{n_i} CP_{ij}}{\sum_{j=1}^{n_i} cr_{ij}} \qquad = \frac{\sum_{j=1}^{n_i} CP_{ij}}{C_i}$$

--- where cr_{ij} is the Credit j^{th} course of ith semester and CP_{ij} is as defined in (1).

C_i is the total credit of all course under i^{th} semester.

Step 4. Cumulative performance of all the semester will reflect overall performance in the whole programme. This cumulative performance is expressed as Cumulative Grade Point Average (CGPA) and it will be calculated as the weighted average of all the SGPAs (S_i ; i = 1, 2, ..., 6) where the weights are the total weights are the total credit of each semester (C_i, i = 1, 2, ... , 6).

Hence, the formula for CGPA is

$$\text{CGPA} = \frac{\text{Sum of (SGPA of } i^{th} \text{ semester} \times \text{Total credit of } i^{th} \text{ semester)}}{\text{Sum of Credits of all Semesters}}$$

$$= \frac{\sum_{i=1}^{6}(S_i \times C_i)}{\sum_{i=1}^{6} C_i}$$

Step 5. The SGPA and CGPA shall be rounded off to 2 decimal place and reported in the Grade Card / Transcripts with the following GRADE LETTER & CLASSIFICATION :

Grade Point / SGPA / CGPA	GRADE LETTER	CLASSIFICATION
8.50 ----- 10.00	O	Outstanding
7.50 ----- 8.49	A +	Excellent
6.00 ----- 7.49	A	Very Good
5.50 ----- 5.99	B+	Good
5.00 ----- 5.49	B	Above Average
4.50 ----- 4.99	C	Average
4.00 ----- 4.49	P	Pass
0.00 ----- 3.99	F	Fail
Absent	Ab	Absent
Conversion Formula : Percentage of marks = CGPA × 10
